The County Commissioners offered the following:

Concord, N. H., Feb. 1st, 1927.

*To the Members of the Merrimack County Delegation,
Legislative Session of 1927.*

GENTLEMEN:—

We herewith present a budget of estimated expenses of Merrimack County for each of the years 1928 and 1929:

| | |
|--------------------------|-------------|
| County Farm | \$28,000.00 |
| Poor Away from Farm | 33,000.00 |
| Aid to Soldiers | 2,500.00 |
| Court expenses | 19,000.00 |
| Court House and officers | 10,000.00 |
| Salaries County officers | 5,400.00 |
| Expenses County officers | 500.00 |
| Aid to needy blind | 1,500.00 |

| | |
|-----------------------------|--------------|
| Interest on temporary loans | 1,850.00 |
| Miscellaneous | 500.00 |
| | <hr/> |
| | \$102,250.00 |

It will be noted that no appropriation has been included for the board and care of jail prisoners, it being estimated that the interest on the \$70,000 which was received from the sale of the jail property and which is now on deposit in savings banks, will be sufficient to care for all the expense and board of what jail prisoners the county may be obliged to support. The few jail prisoners which the county has at the present time are being boarded at Hillsborough County Jail at a cost of five dollars per week, which is a very substantial saving over previous years when the county maintained a jail on its own account.

The County appropriation for the present year, as fixed by the County Convention of 1925 is \$107,650.00, which includes an appropriation of Fifty-four hundred dollars for Farm Bureau work in the county.

Provided no additional expense is put upon the county which has not been anticipated in the above budget, we do not believe it necessary to increase the county tax for the coming two years. We would, therefore recommend that the sum of \$107,650 be appropriated for each of the years 1928 and 1929. The County Report now in the hands of the printer shows that there was a cash balance in the hands of the Treasurer on December 31st, 1926 of \$8,071.76. On deposit at interest in Savings Banks \$70,000. No outstanding bonds or notes.

Respectfully submitted,

ARTHUR H. BRITTON,
JOHN G. McQUILKIN,
FREDERICK A. HOLMES,
Commissioners of Merrimack County.

Mr. Connor made an address in favor of the Farm Bureau and made a motion which was seconded and passed that the sum of \$6,000.00 be appropriated for this purpose for the year 1928 and also the same amount of \$6,000.00 for the year 1929.

It was voted on motion of Dr. Adams of Franklin that the budget for estimated expenses for Merrimack County be made \$108,250 for the year 1928 and also \$108,250 for the year 1929.

It was voted that the sum of \$6,000 be subject and be paid to the University of New Hampshire. The following resolution was offered by Mr. Lee of Concord and unanimously passed.

Be It Resolved:—That the Merrimack County Legislative Delegation of 1927 in Convention assembled extend to the Board of County Commissioners of Merrimack County a vote of commendation and approval for the efficient business administration of county affairs, which had made the present highly satisfactory conditions possible.

The motion of Mr. Steele to consider the matter of the bill for an increase of salary for the Sheriff at this time was declared lost.

Mr. Steele moved that a committee be appointed to send flowers to Mrs. Barnard of Dunbarton and he was nominated as a committee of one to attend to the matter.

There was no further business brought up and upon motion it was voted to adjourn, after which the County buildings were inspected.

A bountiful repast was served the Delegation before the meeting.

A true record, Attest:

C. E. ROBINSON, *Clerk.*

Concord, N. H., Feby, 15th, 1927.

Pursuant to a notice from the Speaker of the House a meeting of the Merrimack County Delegation was held in Room No. 153 at the State House.

The meeting was called to order by the Chairman and the matter of House Bill No. 249 introduced by Mr. Boutwell of Concord was brought up for consideration. The above bill being

An Act Relating to the Establishment of a Merrimack County Jail, as follows:—

Be it enacted by the Senate and House of Representatives in General Court Convened.

Section 1. The Governor, with the consent of the Council is hereby authorized to designate such portion of the State Prison in Concord as may be convenient or necessary as a Jail to be known as the Merrimack County Jail, to which prisoners sentenced to jail in Merrimack County by the state courts or by the United States court in and for the District of New Hampshire may be committed upon payment of the expense of supporting them and of fifty cents a month for the use of the jail and the legal fees of the jailer. The Warden of the State Prison shall have the custody of said Jail and of the prisoners therein as the deputy of the Sheriff of Merrimack County and shall segregate said prisoners from those sentenced to the State Prison. and prisoners and the Warden to be subject to the provisions of Chapter 400 of the Public Laws.

Sect. 2. This act shall take effect upon its passage.

Upon motion of Mr. Donigan, it was voted

Resolved—Inexpedient to legislate.

House Bill No. 8 introduced by Mr. Sawyer of Wilmot, was brought up. The bill

An Act To Provide for an Increase of Salary for the Sheriff of Merrimack County.

Section 1. The annual salary of the Sheriff for Merrimack County shall be Two Thousand Dollars.

Section 2. All acts and parts of acts inconsistent with this act are hereby repealed, and upon its passage, this act shall take effect as of April 1, 1927.

Upon motion it was voted that the bill ought to pass.

It was voted that the budget for Merrimack County be increased for the year 1928, \$1,750.00 and for the year 1929 \$1,000.00 to provide for the increase for salary for Sheriff of Merrimack County.

The motion of Mr. Bartlett to reconsider the budget for Merrimack County was declared lost.

There was no further business brought up and upon motion of Mr. Ahern it was voted to adjourn subject to the call of the Chairman.

A true copy, Attest:

Report of the County Commissioners

To the Citizens of Merrimack County:

In accordance with the Public Statutes of the State of New Hampshire, the Commissioners of Merrimack County herewith present the annual report of the County Commissioners, Treasurer, Superintendent of Farm and House of Correction, Clerk of the Superior Court, Sheriff, Jailor, Solicitor, Farm Physician, Chaplain and Auditors for the year ending December 31, 1927.

COUNTY FARM

The County Institution at Gerrish, under the faithful and efficient supervision of Mr. and Mrs. J. M. Lorden as Superintendent and Matron, continues to remain in a most satisfactory condition. The number of people cared for during the year was practically the same as in the previous year and has required practically all the available room for a greater part of the time. As referred to in our last report, it will soon be necessary to provide more room, especially for those who require hospital care. The buildings are all in good repair, and the farm continues to produce abundant crops. The large herd of dairy cows, quite a percentage of which are pure bred, is being continually improved. Complete statistics regarding the institution will be found in the report of the Superintendent on another page.

EXPENSE OF MAINTENANCE

| | |
|------------------------------------|-------------|
| Amount of orders drawn against the | |
| farm for the year 1927 | \$49,782.38 |
| Inventory personal property, Jan. | |
| Jan. 1, 1927 | 35,434.45 |
| Amount due the farm, Jan. 1, 1927 | 3,552.74 |
| | \$88,769.57 |

| | | |
|---|-------------|-------------|
| Inventory personal property, Jan. 1, | | |
| 1928 | \$35,223.42 | |
| Cash receipts at farm for 1927 | 16,622.10 | |
| Amount due the farm Jan. 1, 1928 | 2,241.31 | \$54,086.83 |
| | | <hr/> |
| Balance against the farm | | \$34,682.74 |
| Total number of weeks board and care furnished, | | |
| not including help, boarders or visitors | | 5,797 |
| Average net cost a week, per capita | | \$5.98 |

POOR AWAY FROM FARM

Under this head is included those who are receiving help in private homes and orphanages. The amount expended in this department for the year was \$36,192.71, which is a slight increase over the previous year. This was caused largely by lack of employment during the winter months in the two cities of the county.

JAIL

The County has had but few jail prisoners to care for during the year. The entire cost of caring for them at the Hillsborough County Jail for the year 1927 was \$1,765.71. The interest received from the proceeds of the sale of the old jail during the year was \$3,163.19. It will thus be seen that the present arrangement means a substantial saving to the tax-payers of the county.

FINANCES OF THE COUNTY

As shown by the Treasurer's report, the total receipts from all sources during the year were \$227,386.12, with total disbursements amounting to \$222,073.58, leaving a cash balance in the hands of the Treasurer of \$5,312.54. The county also has on deposit in savings banks the sum of \$70,000.00 received from the sale of the old jail. The interest on this is being used toward the expenses of the county in accordance with the vote of the County Legislative

Delegation. There were no outstanding bonds or notes at the close of the year.

In presenting this report to the citizens of our county, we wish again to express our appreciation for the cordial and very helpful support that has been so very freely extended to us by all.

ARTHUR H. BRITTON,
JOHN G. McQUILKIN,

We have examined the foregoing account of John L. T. Shaw, Treasurer of Merrimack County, and find the same correctly cast and properly vouched.

ARTHUR H. BRITTON,
JOHN G. MCQUILKIN,
JOSEPH G. COLBY,
Commissioners of Merrimack County.

December 31, 1927.

Auditors' Report

We hereby certify that we have audited the accounts of the county commissioners, county treasurer, and superintendent of the county farm, from January 1, 1927, to January 1, 1928, and have found the same correctly cast and supported by proper vouchers. We believe that all purchases have been made at reasonable prices and have been used for county purposes.

ENOS K. SAWYER,
ELWIN L. PAGE,

County Auditors.

To the Auditors:

We hereby certify that the net floating indebtedness of the county on January 1, 1928, to the best of our knowledge and belief, does not exceed five hundred dollars, aside from the amount due cities and towns for the support of soldiers and sailors, and for the salaries of the county officers for the last quarter.

ARTHUR H. BRITTON,
JOHN G. McQUILKIN,
JOSEPH G. COLBY,
Commissioners of Merrimack County.

Merrimack ss., January 30, 1928.

Personally appeared Arthur H. Britton, John G. McQuilkin and Joseph G. Colby, and made oath to the above statement.

I. EUGENE KEELER,
Justice of the Peace.

Report of the Chaplain

To the Commissioners of Merrimack County:

For the fifth time I report my work as Chaplain for the year ending 1927. It has been a splendid year for work among our unfortunate friends. With a closer acquaintance with the inmates of the home, a larger number of visitations in the two hospitals, with the customary handshake and a word of encouragement to the men across the way. I have been able to carry on a preaching service on two Sundays of each month of the year except July and August, the vacation season. It would be ungrateful in a report like this not to mention the assistance of many friends who have brought good cheer and rare comfort. Superintendent and Mrs. Lorden are always on duty, both making possible the increased moral and spiritual life of each and all. Their untiring devotion to the welfare of each adult and every little child is an inspiration.

Mrs. Lyle Watson is still our pianist and Dorothy Watson, her daughter, is our soloist. Both are helpful in our services, and it has been said that if every church in our land could have such talent there would be fewer vacant pews. Miss Esther Woodhouse and Miss Elsie Baker have rendered good service as singers in our choir.

For a second time Captain and Mrs. George A. Winsor of the Salvation Army of Concord, with their assistants have spent a Sabbath afternoon with us. Their messages from the Bible and emphasizing the gospel were inspiring and helpful. Come to us on another occasion, you will receive a welcome.

On June 21st, Bartlett Grange of Salisbury presented their popular play, "The Village Schoolma'am" to an appreciative audience of our farm people. This makes a second visitation from the same Grange with a good play within two years. When you have another come to our people at the farm.

On Sunday, Nov. 13, Rev. Mr. Richards of the Christian Church of Franklin with his young people, came down to the Farm Chapel and favored us with a splendid musical and literary program. The singing in both hospitals was much appreciated by all. I am sure if other ministers and active Christian workers knew how much a visitation like this means to the shut-ins at the Farm, they would ask our Superintendent and Matron it would be easy for them to visit us at any time.

On Sunday afternoon, Dec. 18, in connection with the regular service, a party of young people from Concord brought beautiful carols and readings appropriate to Christmas were given in both hospitals.

The day after Christmas was a great day at the Farm. It is always an enjoyable day for all. Our three commissioners, Messrs. Britton, McQuilkin and Colby with their wives were in attendance. After the spirit of the day was expressed by the Chaplain on both sides of the house, the women's side, the men's side, and around the larger family table where Mr. and Mrs. Lorden's guests were seated, God's blessing was asked. Immediately after this the Chaplain took his departure, since he promised to be with his family at the home of his son in Nashua. He takes a brief account of the further events of the day from the Journal-Transcript of Franklin. "Monday afternoon at the Merrimack County Farm interesting Christmas exercises were held in the chapel, following a bountiful turkey dinner, served by Superintendent and Mrs. Lorden. The program opened with a hymn, followed by prayer by Dr. James S. Shaw. A piano solo was rendered by Everett Leonard, followed by a song "Star of the East" by Dorothy Watson. Mrs. Martin of Concord (who came to distribute the gifts of the W. C. T. U. of the County of which she is president) gave a Christmas story and Rupert Moore gave a recitation. A violin selection was given by Joseph Williams. Junior Pickering rendered a song. Readings were given by Dr. Shaw. Mr. Williams contributed another violin selection

and Dorothy Watson gave a piano selection. Alice Flanders gave a recitation and Junior Pickering rendered another recitation. Arthur B. Pickering gave a cornet selection and the program closed with a recitation by Dorothy Watson. County Commissioners Britton, McQuilkin and Colby distributed presents from the tree."

If from year to year in my report some may think that I have emphasized the one side of Farm life, the bright and happy side, I might use the words of the Great Master, "Come and See." Visit from time to time the Home of the County, and note the progress that is going on. You will always receive a welcome!

Respectfully submitted,

DANIEL McINTYRE.

Report of the County Solicitor

To the Commissioners for the County of Merrimack:

In accordance with the requirements of the law, I submit the following report for the year ending December 31, 1927.

At the April Term of the Superior Court, the Grand Jury found 7 indictments against 6 respondents as follows:

| | |
|-----------------|---|
| Automobile law | 1 |
| False pretences | 2 |
| Larceny | 2 |
| Statutory rape | 2 |

All these cases were disposed of in a satisfactory manner except one in which the respondent will be sentenced within a few days.

At the October Term of the Superior Court, the Grand Jury found 5 indictments against 4 respondents as follows:

| | |
|---------------|---|
| Larceny | 3 |
| Non-support | 1 |
| Unnatural act | 1 |

In the last of the cases named above the respondent was sent to State Prison for a substantial term and in the non-support case a suspended sentence in State Prison was imposed upon the condition that the respondent support his family in a satisfactory manner.

A very unusual case was presented in connection with the larceny of a copy of the Governor Smith letter which was taken from the Rumford Printing Company and after a trial lasting four days, the respondent, Fred H. Thompson, was found not guilty.

One of the outstanding cases of the year was the prosecution of Maxwell B. Gainsborough of Washington, D. C. was brought before the Superior Court on an information charging him with selling stock in this jurisdiction without

having obtained a license. This was the first prosecution under the Blue Sky Law in Merrimack County and it resulted in the payment of a fine of One Thousand Dollars.

The prosecution of offenders against the liquor law has been carried on vigorously and the result of this work will be seen in a very tangible way in the report of the treasurer, for thousands of dollars have been turned over to the County from this channel. It costs a bootlegger money if he is caught in Merrimack County.

The situation with reference to drunkenness continues to be very satisfactory. In Franklin the number recorded was 32 as contrasted with several hundred as a maximum during the period of license in that city. In Concord the record shows 161 as against a maximum of about 1500 during license. These are the two largest units in the county and many of the drunks throughout the county are brought before these courts so that the above figures reflect the general situation throughout the jurisdiction. It is reasonable to say that the number of drunks before the courts in this county is about one-tenth as great as in the days of license and this would seem to be a very practical answer to the question as to whether or not the prohibition law has been a success in Merrimack County.

As has been the case in the last few years, it will be seen that 1927 has been free from any serious crimes of violence as far as Merrimack County is concerned. There has been the same general run of misdemeanors but the offenses have been of such a character that they have been disposed of in the lower courts. On the whole we have a law abiding county as this report indicates.

I am pleased again to acknowledge my appreciation of the work done by the various town, city, county and state officials whose co-operation has made possible the proper enforcement of the laws.

HERBERT W. RAINIE,
Solicitor for Merrimack County.
